

## Our realizations

# PIPING

### **SECHILLENNE SIDEC**

- Studies, prefabrication, transportation, installation and commissioning of piping HP / BP / MP turbine boiler connection of the Central Electricity production Moule on Guadeloupe - Tuyauteries firefighting

### **INOVA**

- Studies, prefabrication, installation of piping the biomass Factory Electricity METZ

### **ARES Rodange Luxembourg**

- Manufacture and site assembly of hydraulic hoses website roll stands of Train A

### **BURGO Ardennes - Virton (Belgium)**

- Studies prefabrication assembly site feed line turbine HP and LP

### **ALSTOM POWER PLANTS**

- Studies, prefabrication, delivery pipes HP / BP / MP turbine environment of Central EPR in Flamanville

### **EDF - CNPE de Chooz**

- Replacement of SEB network

### **CNPE de Bugey**

- Requalification schedules Turbine piping after hydrostatic testing of GSS and ABP TR2

### **ARCELORMITTAL - Saint Chély d'Apcher**

- Study, prefabrication, installation of all piping Tower varnishing - compressed air, nitrogen cooling water, flue gas recovery
- Installation of piping on Four Drever - lubrication, nitrogen, compressed air

### **ARCELORMITTAL - Gand (Belgium)**

- FAN STATION, prefabrication, and installation of pipes in the suction and discharge gas station

### **ARCELORMITTAL - Florange Patural**

- Studies, implementation, commissioning of gas injection LWS (diam. 1000) in the blast furnace stoves P3

### **GEOthermie BOUILLANTE - Guadeloupe**

- Study, realization and installation of a unit of water reinjection wells in separates

### **GTS - Dunkerque**

- Piping Castle furnace cooling water supply
